### Nuisances

With spring right around the corner, complaints on public nuisance will begin to occur. City Ordinance, Chapter 4 Public Health and Welfare Section 400 deals with nuisances. Residents and business owners should know these ordinances to avoid public nuisance complaints.

Common nuisance complaints received by the City are: junk in yards including but not limited to household appliances, automobile bodies, trash and debris situated in a manner as to constitute a fire, health or safety hazard; placing and/or throwing glass, nails or other items which may injure any person, animal or vehicle passing over the item; inoperable and/or unlicensed motor vehicles; animal feces that owners do not pick up and any dog that repeatedly and habitually barks,, howls, bays or whines.

Residents should also be aware of the fact that during construction or repair of property, building materials should be stacked or stored in a neat and orderly fashion and in a manner so as to avoid presenting any danger to the general public.
