Tri-Cap is an Affirmative Action/Equal Opportunity Employer

It is everyone's responsibility to cooperate in keeping their property's grass mowed, the weeds sprayed, and the litter removed. Please assist in making everyone proud of YOUR community! Grass should be no more than 8 inches in height. If the property is not maintained, the city will come and do the work. We will send you a bill or it will be certified to Stearns County for collection with your property taxes.
