**Labor Day Sept. 4th**

**KIMBALL DAYS**   
WHERE THE FUN NEVER ENDS!  
**August 7-13, 2023**

# August 2023

### Watering Restrictions

Due to a large increase in water usage and expected continuance of hot and dry conditions, the City of Kimball is implementing watering restrictions for those served by the City of Kimball's water system immediately for all system users effective, Monday, July 24th, 2023.

Taking this action will not only conserve water, but reduce the stress on the water treatment plant while ensuring we are able to continue to provide necessary resources for consumption, fire protection and other necessary water uses.

#### Guidelines to follow:

Lawn watering and irrigation of athletic fields will be limited to all properties based on address numbers. Addresses ending in an odd number can water lawns on Tuesday and addresses ending in an even number can water lawns on Wednesday.

This action was taken to reduce peak water usage in areas served by the City's system.

Additionally, because of how much water is lost to evaporation, watering is only permitted between 4 a.m. and 8 a.m.

Watering of newly sodded or seeded yards is exempt from the odd and even day restriction for two weeks.

- Activities such as car washing, water toys and filling small kiddie swimming pools are exempt.
- Hand watering of newly planted trees, flower pots, baskets, and vegetable gardens is permitted at any time.
- Any sprinkler system not served by the City's system is exempt.

These restrictions will be in effect until further notice.

PLEASE do your part in conserving water: look for leaks, consider an upgrade to Water-Sense labeled products, take a sprinkler break and reuse water.

The University of Minnesota Extension Office provides great information regarding lawn maintenance and watering at this link

[Water Wisely: Start in your own backyard | UMN Extension](#)

Detour through town started on July 10th and will go through mid October 2023. DETOUR is in place, using Hwy 12, Wright CR 3 and Hwy 55. **See map**

# KIMBALL DAYS
