Comprehensive Plan 2045

What is a Comprehensive Plan?

A comprehensive plan guides a city's decisions for its future - including its investments in parks and streets, and its priorities for developing housing, industry, and businesses.

Kimball is developing a new Comprehensive Plan to help shape its future growth, protect what residents value, and enhance what they want to improve.

Your ideas and opinions are needed to develop recommendations that reflect your goals and values.

WE WANT TO HEAR FROM YOU!

NEW HOURS

Kimball Area Food Shelf Inc.

If you notice a streetlight that's out, flickering, or needs attention, you no longer need to call City Hall to report it.

Instead, you can now email Xcel Energy directly at: **outdoorlighting@xcelenergy.com**

This goes straight to the team responsible for maintaining light poles — making the process faster and more efficient for everyone.

- Include the location of the pole (address or nearby land mark)
- Describe the issue (e.g. light out, flickering, leaning pole)

Let's keep Kimball well-lit and safe together!
Thank you for helping us streamline services.

Snow Removal Policy

Snow accumulation must be over 2 inches before the City will commence plowing operations. Priority streets are plowed first. The sand and salt mixture will be minimized to certain areas. Cleaning adjacent to and in front of mailboxes is the resident's responsibility.

Winter Parking Reminder

No person shall park a vehicle upon any street in the City between the hours of 10:00 p.m. and 6:00 a.m., on any date that falls between 12:01 a.m. November 1st and 11:59 p.m. April 30st of the following year.

The City of Kimball may, in its sole discretion, tow any vehicle parked in violation of this section to an impound lot. The cost of the tow and impound fee shall be paid by the owner of the vehicle prior to the vehicle being released from impound.

Sidewalk Cleaning

Please keep in mind that sidewalks need to be cleared within 48 hours after a snow and/or ice event. It is the property owner's responsibility to clear the abutting sidewalk to their property. If your sidewalk isn't cleared within the allowed amount of time, the city will follow the abatement process. This means the City will clear your sidewalk for you and send you a bill.
