February 9th
February 17th—23rd

February Recycling Weeks:
8th & 22nd

Winter Weather Reminders:

Sidewalk Cleaning

Please keep in mind that your sidewalks need to be cleared within 48 hours after a snow fall of 2 inches or more or blown in by the wind. It is the property owner's responsibility to clear the abutting sidewalk to their property. If your sidewalk isn't cleared within the allowed amount of time, the city will follow the abatement process; this means the City will clear it for you and send you a bill.

Snow Removal Policy

The City of Kimball would like to remind all snow removal operators and property owners that per Minn. Stat. §160.2715 it is unlawful to deposit snow on or next to trunk highways, county state-aid highways, municipal state-aid streets, county highways, and town roads. Snow removal operators and property owners are prohibited from plowing, blowing, shoveling or otherwise placing of snow onto said roadways. This includes the ditch and right of way area along the roadside. Furthermore, per City Ordinance 505 – Traffic and Parking Regulations no person shall remove snow from private property and deposit the same on any public street or parking lot. Any snow so deposited may be removed by the city, and the cost of the removal shall be assessed and charged to the person in violation of this section.

This would also include pushing the snow from your driveway across the street onto the right-of-way of a vacant lot. The snow from your property needs to remain on your property.

Snow accumulation must be over 2 inches before the plowing operation begins. Priority streets are plowed first. The sand and salt mixture will be minimized to certain areas. Cleaning adjacent to and in front of mailboxes is the resident's responsibility.

Winter Parking Reminder

No person shall park a vehicle upon any street in the City between the hours of 10:00 p.m. and 6:00 a.m., on any date that falls between 12:01 a.m. November 1st and 11:59 p.m. April 30th of the following year. The City of Kimball may, in its sole discretion, tow any vehicle parked in violation of this section to an impound lot. The cost of the tow and impound fee shall be paid by the owner of the vehicle prior to the vehicle being released from impound. Any person who violates the provisions of this Section shall be guilty of a petty misdemeanor.

Does the City have updated contact information for your City utility account on file? We realize that phone numbers and email addresses can change.

Please send current contact information to:
nicole.pilarski@ci.kimball.mn.us

If you do not have email, please include the information on a sheet of paper with your next utility bill payment.

Thank you!!

Don't forget to License your Dog!

All dogs 6 months of age and older must be licensed annually and shall wear a dog tag. Bring or mail the following to City Hall:

- ⇒ Proof of rabies vaccination
- ⇒ \$10.00 Licensing Fee **(after February 15th the fee is \$30)**

If you have a fire hydrant near your residence please help keep it free from snow. In the event of a fire this could save your house or your neighbors. Thank You!

The City Council recently adopted the results of a utility rate study that was conducted by the AEM Financial Solutions. The new utility rates will be implemented starting January 1st of each year over the next 5-years. The rates shown here went into effect with usage starting January 1, 2022.

Snowshoeing now available Willow Creek Park

All we ask is that you return them for the next user when you are done enjoying them on the trails in Willow Creek Park.

There are pictures posted inside cabinet showing how the snowshoe should look with the binding around your boot. If you own a set of walking/trekking poles it is suggested to use those as well if you plan to walk all of the trails in Willow Creek Park as these snowshoes **DO NOT** have teeth on the bottom.
