Winter and Snow Reminders

We would like to remind all snow removal operators and property owners that it is unlawful to deposit snow on or next to a public highway or street. Minnesota law prohibits the plowing, blowing, shoveling or otherwise placing of snow onto public roadways. This includes the ditch, boulevard and right of way area along the roadside.

The snow from your property needs to remain on your property or be hauled out to another location. Property owners are prohibited from pushing the snow from their property across the street onto another property.

According to state law, violations are considered misdemeanors, but civil penalties also apply if the placement of snow creates a hazard such as a slippery area, frozen rut or bump that contributes to a motor vehicle or pedestrian crash. The civil liability can extend to both the property owner and the person who placed the snow.

Other hazards created by improper placement of snow on or near a public roadway include drainage problems, drifting, sight obstruction and safe accessibility. Special attention should be made to keep crosswalks, intersections, entrances and exits clean and unobstructed.

We appreciate your cooperation in this matter.

Any and all snow piles are prohibited from being placed within the 30ft clear view triangle at corners.

Sidewalk Cleaning - Please keep in mind that sidewalks need to be cleared within 48 hours after a snow and/or ice event. It is the property owner's responsibility to clear the abutting sidewalk to their property. If your sidewalk isn't cleared within the allowed amount of time, the city will follow the abatement process. This means the City will clear your sidewalk for you and send you a bill.

Snow Removal Policy - Snow accumulation must be over 2 inches before the City will commence plowing operations. Priority streets are plowed first. The sand and salt mixture will be minimized to certain areas. Cleaning adjacent to and in front of mailboxes is the resident's responsibility.

Winter Parking Reminder - No person shall park a vehicle upon any street in the City between the hours of 10:00 p.m. and 6:00 a.m., on any date that falls between 12:01 a.m. November 1st and 11:59 p.m. April 30th of the following year. The City of Kimball may, in its sole discretion,

tow any vehicle parked in violation of this section to an impound lot. The cost of the tow and impound fee shall be paid by the owner of the vehicle prior to the vehicle being released from impound.
