Thank You!

Severe Weather Reminders

Please remember all snow and ice need to be removed from public sidewalks within 24 hours after the precipitation has ceased to fall. It is the property owners responsibility to clear the abutting sidewalk to their property. If your sidewalk is not cleared within the allowed amount of time, the City will follow the abatement process.

Snow Plowing & Ice Control Policy:

Snow accumulation must be over 2 inches before the plowing operation begins. **Priority** streets are plowed first. The sand and salt mixture will be minimized to certain areas. When cleaning snow off of a private property, **DO NOT** push snow onto the street or in another property. This is in violation to MN Statute 160.2715. Anyone violating this statute will be guilty of a misdemeanor. Cleaning adjacent to mailboxes is the resident's responsibility. The City will get as close to the curb as possible.

Winter Parking: No person shall park a vehicle upon any street in the City between the hours of 10:00 pm and 6:00 am, on any date that falls between 12:01am November 1st and 11:59pm April 30th of the following year. The City of Kimball may, in its sole discretion, tow any vehicle parked in violation of this section to an impound lot. The cost of the tow and impound fee shall be paid by the owner of the vehicle prior to the vehicle being released from the impound. Any person who violates the provisions of this section shall be guilty of a petty misdemeanor.

Common Distractions are the reason Inattentive Driving accounts for One in Four Crashes in Minnesota

Phones - Phone Conversations pull your focus off the road, whether hands-free or not. Turn ringers off and put phones out of reach to avoid the urge to answer or dial, or have passengers handle calls. It is illegal for drivers with learning permits or provisional license to use a cell phone while driving.

Texting - It is illegal for all drivers to read or compose text/emails, and access the Web on a wireless device while the vehicle is in motion or part of traffic. Violations are up to \$300.

Adjusting Controls - Set music, air and mirrors before driving. Ask a passenger to handle to controls.

Eating & Drinking - Avoid eating and reaching for food or drink.

Reading - GPS device, as well as maps, newspapers and books are all serious distractions. Pull over to study a map, and know trip directions in advance.
