Work from home when able

A Message from Elementary School Principal
Joel Timmerman...

May 6th, 6:00 pm the staff at Kimball Elementary will conduct a parade through the streets of Kimball. The staff have been participating in distance learning since March 23rd since the onset of COVID-19. The staff truly miss the kids and the excitement around school. To show the students how much they care about their students, the staff has organized a Kimball Elementary Parade. Teachers, support staff, and Para professionals will decorate cars, make posters and drive through the cities parade route.

The route will follow the same path that the Kimball Days Parade does. It will start at the elementary school, travel west to Oak street and then turn left Linden Ave. It will end at the veterinary clinic.

We are asking that families line the parade route but also practice social distancing and also be respectful of personal property while attending the parade. Again, Wednesday, May 6th at 6 pm

Joel Timmerman

City Wide Clean-Up will NOT be taking place May 2nd.
Watch the Community Billboard, City Newsletter
and Tri-County News for updates.

As the weather gets warmer, we would like to take this opportunity for some friendly reminders.

Building Permits: A building permit is required for most residential and commercial improvement projects. We are asked quite often whether or not a particular project requires a building permit. The most accurate way to answer that question is for the property owner or building contractor to complete a permit application for a thorough review. Once a scope of work is defined, the Building Inspector can make the determination if a permit is required and if so, what type of permit and inspections will be required.

Generally, Building permits are required for:

- ⇒ Any new structure
- ⇒ Alterations or Additions
- ⇒ Finishing a basement
- ⇒ Commercial re-roofing & re-siding
- ⇒ Commercial window replacement
- ⇒ Decks & Porches
- ⇒ Fences
- ⇒ Plumbing
- ⇒ Heating
- ⇒ Electrical work
- ⇒ Garages
- ⇒ Utility Sheds

General Permits - are also called “over-the-counter” permits and are typically used for standard residential maintenance work on a house. There is a penalty for starting construction prior to the issuance of a building permit. There is a penalty for starting construction prior to the issuance of a building permit.

Building permit applications are available at City Hall or on the City website at www.ci.kimball.mn.us under the “City Departments” tab and then the “Planning and Zoning” tab. You may send the completed application via mail; 1 Main St. N, PO Box 239, Kimball, MN 55353 or email it to Trista.kramer@ci.kimball.mn.us.

Brush & Compost Pick-Up
Starting Tuesday May 5th

Tuesday Mornings: All brush/compost must be placed at the curb by 6:30am.

Rules to follow:

- ⇒ Brush not to exceed 4 feet in length & must be bundled and tied.
- ⇒ Compost not to exceed 50 lbs. **ONLY** corn-based self-composting bags will be picked up. Compostable bags are distinct from regular plastic bags because they are usually clear or green-tinted opaque color. Most home improvement, grocery and hardware stores now carry them. If you don't see them, ask an employee at the store.
- ⇒ **Biodegradable bags and Regular Garbage bags are NOT accepted and will NOT be picked up! COMPOSTABLE BAGS ONLY!**

Residents also have the option of bringing brush and compost to the City's compost site on their own by appointment only! Please contact the Public Works Department for additional information or an appointment at (320) 980-4906 or (320) 557-3244.

Nuisances

With spring here, complaints on public nuisance will begin to occur. City Ordinance, Chapter 4 Public Health and Welfare Section 400 deals with nuisance. Residents and business owners should know these ordinances to avoid public nuisance complaints.

Common nuisance complaints received by the City are: junk in yards including but not limited to household appliances, automobile bodies, trash and debris situated in a manner as to constitute a fire, health or safety hazard; placing and/or throwing glass, nails or other items which may injure any person, animal or vehicle passing over the item; inoperable and/or unlicensed motor vehicles; animal feces that owners do not pick up and any dog that repeatedly and habitually barks, howls, bays or whines.

Residents should also be aware of the fact that during construction or repair of property, building materials should be stacked or stored in a neat and orderly fashion and in a manner so as to avoid presenting any danger to the general public.

Pet Owners

As the weather has gotten warmer, many of us will be spending more time outside, and many of us will want our pets to enjoy the nice weather and opportunities for play and exercise with us. As a pet owner, there are a few things to keep in mind.

- ⇒ When walking your pet, please be respectful and keep pets off of private property.
- ⇒ All pets within the City of Kimball are required to be kept on a leash when outdoors if they are not in an enclosed fence of sufficient height to contain them.
- ⇒ All dogs over the age of 6 months of age or older must be licensed annually and shall wear a dog tag.
- ⇒ You are required to pick up after your pet.
