CHAPTER 6 LICENSED ACTIVITIES

ORDINANCE 640 BINGO, LAWFUL GAMBLING

Section 640.01: STATUTE INCORPORATED BY REFERENCE. The provisions of Minn. Stat. Section 349.11 through 349.61 are incorporated by reference and made a part hereof as if fully set out herein.

Section 640.02: ADDITIONAL REGULATIONS. The following regulations shall apply to the conduct of charitable gambling within the City in addition to the provisions of state law.

Subd. 1. License or Permit Required. The unlicensed or unpermitted conduct of bingo or lawful gambling within the City shall be prohibited. Any organization authorized by law to conduct bingo or lawful gambling may do so only after applying for and receiving a license from the State Charitable Gambling Control Board with approval of the City Council or, if no state license is required, after applying for and receiving a permit from the City Council as hereafter provided.

Subd. 2. Application. Any person interested in conducting lawful gambling which is otherwise exempt from licensing under state law shall apply to the City Council for a bingo or lawful gambling permit upon forms prepared by the Clerk for that-purpose. The application shall state where the games will be played and the dates and hours for which permission to play the game is requested. The organization shall not conduct lawful gambling at any place, date or time other than those specified in the application. The application shall be verified by a duly authorized officer of the organization and by the organization's designated gambling manager. No application shall be accepted by the City unless accompanied by the required fees.

Subd. 3. Investigation Fees. The Council by resolution may assess an investigation fee as set forth in the Schedule of Fees, Section 215 on organizations applying for or renewing a state license or local permit to conduct lawful gambling in the City. State licenses shall be for the term listed on the license. City gambling permits shall expire upon the date listed on the permit or twelve months after issuance, whichever is later.

Subd. 4. Copies of Reports. All licensees shall furnish to the City one copy of the annual report required by law to be filed with the State Charitable Gambling Control Board. All licensees and permittees shall furnish such other reports and records on the operation of lawful gambling including specifically, but not exclusively, gross receipts, expenses, and profits, as may be requested by the City Council.

Subd. 5. Revocation. No licensee nor permittee shall have a vested right in any license or permit issued hereunder, and permits issued hereunder may be revoked by the Council at any time for any lawful reason. Licenses and permits may also be revoked upon a showing that the licensee or permittee violated or caused to be violated any provisions of this section, or of state law regulating the licensing or conduct of lawful gambling. The license or permit may also be revoked in the event of any misrepresentation in the license or permit application or any reports required of the licensee or permittee to be made.
