Annual Notice to All Residential Customers

Bills can pile up just like snow. However, the Minnesota Cold Weather Rule is designed to protect people who may have trouble paying their utility bills in the winter. The Minnesota Cold Weather Rule applies from October 15th to April 15th. The rule, established by the Minnesota Public Utilities Commission, means that your utility cannot disconnect your residential electric service during the winter if the customer meets the following requirements:

- (1) Utility disconnection would affect the customer's primary heat source;
- (2) The customer has declared inability to any on forms provided by the utility (Note: Customers receiving "any form of public assistance," including energy assistance, are deemed to have qualified for inability to pay status);
- (3) The household income of the customer is less than 50 percent of the state median income level, as documented by the customer to the utility; and
- (4) The customer enters into and makes reasonably timely payments under agreement that considers the financial resources of the household.

If you have trouble paying your utility bill, local agencies may be able to provide payment assistance. The state Department of Human Services recommends you call the county in which you live.

If you know you're going to have trouble paying your utility bills, please contact utility company ahead of time to try to work out a payment schedule.

Annual Notice for Military Personnel

Minnesota law requires that customers and utilities make utility payment arrangements military service personnel in the following situation. If a member of a household has been issued orders into active duty, deployment or change in duty station and the residential customer meets specific income criteria, the City of Kimball must not disconnect the utility service of that qualifying residential customer.

An application must include copies of income statements and proof of military orders as described in the law. The City of Kimball may shut off utility service for nonpayment if an application does not include the required copies of income statements and proof of military orders as required by *Minn. Stat. § 325E.028*.

If you would like a copy of this law, please contact Kimball City Hall.

Just a friendly reminder...utility bills are due the 28th of each month. Payments can be made at the city office during business hours, placed in the drop slot, mailed or pay online (follow the links on the City of Kimball website). The City of Kimball also accepts credit cards in person and over the phone.
